

2016 Serafino Bellissimo Montepulciano McLaren Vale

SA Weekend – Hot Summer Drinks

You won't get a more Italian-sounding wine experience than this, the variety now entirely at home in Australia. It's big, ripe, purple to black fruited and doesn't hold back at any quarter. It's aromatically extroverted, has full-tote spice compote flavours, is mouth-filling with crumbly-earth textured tannin. A wine full of personality.
