

GOOSE ISLAND SPARKLING

N V

THE STORY

Just like our wines, each Goose that resides on Goose Island in nearby Lake Serafino, has its own unique personality. The Geese are a constant source of enjoyment and entertainment.

WINEMAKER NOTES

The grapes from our Serafino Estate vineyards are the first harvested each vintage to maintain brightness and freshness of flavour. The base wine is a blend or cuvée of batches which then undergoes secondary fermentation prior to bottlings.
